

Biography

Dr. Georg Hanen

Member of the Executive Board of Bosch Rexroth AG

July 1, 2010

As a member of the Executive Board at Bosch Rexroth AG, Dr. Georg Hanen is responsible for Purchasing, Commercial Activities as well as for Personnel since July 2010. His direct sphere of responsibility involves finances and controlling, personnel and social welfare, information processing, purchasing and logistics, corporate law, customs and foreign trade, as well as data protection. He has been a Member of the Bosch Rexroth AG Executive Board since 2002.

Dr. Hanen studied Business Management at the University of Regensburg and began his professional career with Robert Bosch GmbH in Hildesheim, Germany. Following several positions within the Bosch Group, Dr. Hanen gained experience abroad in the late 1980s as the Commercial Manager of three Bosch plants in Spain.

Upon his return to Germany, Dr. Hanen served as the Principal Consultant in the Central Department for Business Planning and Controlling, subsequently taking on the position of Commercial Director for the Automation Technology and later Automotive Equipment Fuel Injection Systems divisions.

Prior to joining the Bosch Rexroth AG Executive Board, Dr. Hanen spent four years as Head of the Central Department for Planning and Controlling at Robert Bosch GmbH.
